Dearest Mother

The next will be a telephone message I hope on Sunday the 24th. I am very busy and have only time to send a hurried line - I had no idea I had so much to do to get off and leave everything in order for Mrs M-M. Miss Nicols received the lace collar and is delighted with it and with your remembering her. I had such a nice time with Mrs Chamberlain on Saturday she was perfectly charming. Rachel & Bill spent Sunday here - it was like summer - but today we have a fog. I think I sent you the wrong photo of Revere and myself -

I really cant write any more - so farewell -

Much - much love & au revoir

Affly

Grace -
