152 Mansfield St.

Montreal
CVS 47/59.5

My dear Cousin
Dr. Christie O'Reilly
is still alive & living in
Toronto. He is a graduate
of McGill. He is quite a
character & for years
was Medical Superintendent
of the Toronto General Hospital
& for years through his influence
with the Managing Committee
~~practically~~ absolutely controlled
all medical appointments
to the Hospital - Essentially a
politician -
