Woods Day Books

13, NORHAM GARDENS,
OXFORD.

part in front
of Chap. II

Accounts

Keeping track of my journey of his acct. while
abroad probably secured him further kind
words than on the rest of his life he
never kept any acct of his and put
the use of his pocket to make all
income - etc add at end of year

Books preserved in his file Sunday
Sonnens would be interesting when
the end of war, character of forces found
a physician of the 19-20 cent.

What he called his "Day Book and notes"

These began with a

Geschäfts Taschenbuch and
Jäger-Kalender für 1874

1875 - in Woods Physicians Diary
and all the subsequent years

No. 1876

1877 - 85 Physicians' Directory Dist. Society of Bloodletters

1886 - 1000 Medical News Directory list Leaflets
1906 This became the Practitioners " " "
