CUS417/71.12

From Dr. Malloch's Journal.

Friday, Dec. 17, 1915.

To Oxford by 4.55. Sir Wm. spoke of his early times in Montreal. When to teach physiology etc. he had to procure instruments etc. out of his own pocket. "I would often go to Howard and others for \$25." "I suffered at that time from an acute attack of chronic impecuniosity".
