Dear Dr. Cushing:

So far as I know Dr. Otter was not  
at the International Medical Congress held at  
Philadelphia in 1876, and his name does not  
appear in the list of members in the published  
volume of Transactions. The original Ins. Registration  
was deposited in the library of the College of  
Physicians of Philada. and should be accessible  
there but I do not believe that it would throw any  
additional light on yr query.

Very truly Yours

Minis Hays-
