

The volume of Pathological reports [#] for the ~~Journal~~ representing his first
"Montreal General Hospital Pathological Reports" Dawson Bro. Montreal
1876 pp. 97
years was a pathologist to the M.G.H. up to May 1 1877 was
apparently completed for the year Dec. 10 1877 for at least his presence
is so dated from 135 St Catharines Street. The bulk of the
reports had appeared serially during the course of the year in the

local journal [#] and a page number of the same important
Canada Med. & Surg. Journ. July 1877 VI p. 125 & seq. (at some Medical & Chemical Society meeting
observations and rarer case had been reported) in conjunction
was the clinician who held the case in charge. [#] On the title page
~~the title was the same~~

^{largely due to}
Introductory [#] note It is ~~this~~ ^{fact} which fact the fact on amongst
number of letters appears for the years 1877 and 1878 in
Mrs. Stogge's Bibliography of the works issued in ¹⁹²¹ ¹⁹²¹
Chicago enlarged. A biographer is interested in the date of place of preparation and
chief in date of place of publication whereas a biographer concerned with the date of place of delivery and
during 1877 there were no less than 49 entries on this basis in his bibliography ^{purpose of his writing and the}

The quotes Wills statement; "Pathology is the basis of all true
instruction in practical medicine" and ^{the volume is dedicated} ^{the day in his Preface} ^{this is his indication}

To my Teacher
James Bruce M.D.
Emeritus Professor in Pathology in the Toronto Medical School
My first pathological report from a
Canadian Hospital
is gratefully and affectionately dedicated

He says in his Preface:

Sept. 12-13

Notice Weekly Con. Mus. Sec.

Dani, Pabillara, Hawaii, Conf. (Sec) was publication Comm.
was, was, was, did the work and this is his. Cf. his activity at meetings.
Should it read Jan after ??

Refuted Hamelton abt.
