Hearns & Ross were abroad together the summer of 1878
 and must have attended the Brit. Med. Assⁿ meeting
 at Bath Aug 6-9th
 for Ross sends an acct of it to the 'ed. of the
 Can. Med. & Surg. Jour from Paris date Aug. 12 1878.

Speaks of joining of London Surgeon General Bristle
 and in the meeting about antisepsis in
 opposition to Bristle's view -

Very few people here who stand transplantation
 and for this alone local prejudices or
 Chomsonian. etc
