CUST 17/77.22

Dear Jane

Would you kindly look over the obituary notice and make any alterations if you feel inclined, but a print on it. If you get time you might copy it out making the corrections as you go, for I have to send two copies of it to Toronto by tonight's mail.

I have a meeting at the Moderns bank at 10 o'clock & am going to Mrs D & R Moderns between 4 & 6, so that I had better come at 6.30 for a bite of dinner & we could look over the note then. Let them keep Belle up until 6.15 at least. With benediction to the Mother of thee.

Yours devotedly
J.W.
