

CVS 417/80.11 Berlin May 20th

His detailed letter from the German med. Congress
under Henrich's presidency. Friedrich's travels
had just been discovered in the Germanian was
to be fine. Also Schäffer described the
organism he & Klebs before him associated
dysphagia. Also Goltz exhibited me yolk
from the decalcified dog's for I was
the dog's presence steps were checked localization.
Telegraph Firmen Goltz.

Con. Prochhorn ~~20~~ June 1884

Adam Wright took over the
Con. Prochhorn in Aug. 1884 -
organ & Germanian also from it.
