NOTES FROM BOOKS

Verses on Various occasions By John Henry Newman, Of the Oratory.  
London MCCCCLXXIV.

Note on flyleaf.

This copy was given to my Aunt, Miss Pickton, of Eglaston, Birmingham by Cardinal Newman, with his photograph. She gave it to me in 1884, the year I brought her out to Canada. She and the Cardinal were exactly the same age. The additional verse to the Pillar of Cloud at p. 152 is in her handwriting. Her inscription of the book to me on the fly leaf was unfortunately not put in when the books was rebound by Reviere & Sons in 1903.
