(my wife &amp; I)

we stayed with the Howards during the  
meeting of the B.A. in Kentland in 1884:  
& charming hosts they were. Henrietta  
Howard was a young girl; Jack Howard  
was away - I believe in Europe. I  
have no very clear recollections about  
W.O. during the meeting - except that  
he took us to see his parents.
