(Dr. John C. Hemmeter)

1, West Franklin St.,  
Baltimore, Md.

Jan. 11th, 1904.

Dear Hemmeter:

I have to thank you for your nice photograph. You look in very fine form in your library.

I saw Halliburton on Saturday night, and he tells me that you have forestalled me in the matter of entertaining him, but I wish you would let me have him here one evening at dinner. He will be here on the 25th or 26th.

Sincerely yours,

W<sup>m</sup> Osler.
