Baltimore, Md., Feb. 23rd, 1904.

Dear Shattuck:-

I was perfectly delighted with the Gentle Reader. I have been much entertained. We have so many friends in common that I almost feel as if I knew the author.

We had a devil of a time here with the fire. We shall be out about \$400,000 at the hospital, but I daresay all will turn out well, and we are not worrying specially.

Sincerely yours,
(Signed) W. Osler
