1. West Franklin Street,  
Baltimore, Md., Apr. 20th, 1904.

Dear Seaman:

I wish indeed that I had an original copy of Caius' sweating sickness. I have been looking for it for many years, but in vain. I know of nothing better than the two authors you mention. The most recent thing I know is the article in Nothnagel's Handbuch, Vol. V, Bd. 1, by Immermann. He has a very good historical account.

Sincerely yours,  
W<sup>m</sup> Osler
