1, West Franklin Street.  
Baltimore, Md., May 24th, 1904.

Dear Dr. Cabot:-

This will introduce Charles M. Remsen of our graduating class, who is very anxious to get into the Massachusetts General Hospital. He is a first class man in every way, thoroughly trained, a good worker and interested in his profession, and I know you would find him a very valuable addition to the staff of the M.G.H.

Sincerely yours,

(signed) W. Osler.
