Dear Dr. Hurd:-

Walker has a splendid paper on renal tuberculosis which I presented at the Laennec the other night. It would make an entire fasciculus for the Reports. Welch is going to look it over first. It is an admirable thing in every way, and will be a great credit to the surgical department.

Sincerely yours,
W. Osler

Christmas was passed with Mrs. Osler's sister in Jamaica Plain and the last few days
of the year at ~~Toronto~~ were his own people in Upper Canada. There he was heavily
engaged. ~~He~~ He opened the News Agency of the Ontario Medical Association on the 27th and
and the next day ^{to mark the creation of which he had contributed upwards of \$1000} was given a public luncheon by the Canadian Club ^{and addressing}
occasion entitled subject of the ^{lecture} Anglo American Relations of Canada. ^{Several} ^{of} ^{the} ^{papers} ^{presented}
Canadian papers. And the year ends with a letter note to his old friend of Barrie days
enclosing the usual \$100 club dues, etc.
