Dearest Gwen

Send me a line or two saying how you are: I do hope you are getting better, & that all these horrid thoughts are passing away. Bill is well & working hard. Revere is very happy at his school. Georgie Abbott and her three children are here for the week end Such dear little folk. Revere is in a Norfolk jacket today for the first time & looks quite a little man.

Give my kindest regards to Miss Flood. Ask her to send me a line about you.

Ever yours affectionately

W. Osler
