

(From Miss Smart's notebook)

Oct. 6, 1919.

CUS417/130.13

Oct. 6.

Princ. Sir Harry Reichel, Bangor.

Univ. of  
Wales  
Conference.

I could not possibly get to Bangor for such a conference this autumn. I am very much tied up and have lately had one or two attacks of bronchitis which have left my tubing very sensitive. Please give my regrets to the Committee, and it would have been such a pleasure to have been with you.
