

W.O. to J.Y.W.M. [ac Alister]

P.C. (script)

Oxford,  
November 14, 1919.

Send a card for the library and Meetings R.S.M. to Dr. Edward Jenner Wood (Arundel Hotel, Strand) of Wilmington, N.C. - one of the very best and a dear friend of mine.

I make pleasant excursions from one side of the bed to the other and am enjoying life immensely. It is not likely that I shall ever get up again!

WM OSLER.

This brought poor Mac Alister to Oxford by the next train! See W.O.'s remark, below, in the letter to Kollerton, Nov. 19. W.W.F.
