Dear Nelligan, I think it would be just as well to leave it, as it does forestall your special appeal. I will send word to the Editor of the St. Bart.'s Journal. As soon as I hear from Funk I will get the appeal in order and bring it before the College of Physicians, the College of Surgeons, and the Paris Academy of Medicine. Who are the local people who should go on the committee? You, Sa'eed, Funk, and are there any others?
