(To Mrs. Charles Gwyn)

(probably 1886 - N.B.G)

(Extract only) * * July 9th for my holiday. Am doubtful about England. May be too hard up, but I should like to attend the British Association Meeting in Dublin & Keep up my connection with English friends. I hope Norman will pass into the Collegiate this year. If he does not I think he should begin his Latin and get definitely at his matriculation work. But I dare say there will be time enough & in 3 years he will make great progress. I shall take him off your hands altogether.

Kiss the baby for me & love to all the chicks

Your affec. bro
