[Dec. 13, 1887] Sunday Eve.

(postcard - handwritten)

Dear M. The Com. of Clinico-Path. meeting of County Medical met at Neffs ~~at~~ tonight and we decided to have the subj. of Pereaecal infl. discussed. 1. by you from path. anatomy standpoint. (2) by Pepper from Diagnosis & 3 by Agnew or Morton on Treatment. We would like all the material in all the museums utilized by you for this, so as to have a full presentation of as many specimens as possible. The meeting is Dec. 14. Get Smith to assist you in groping in the Museums. Will see you at 2 p.m.
