Our interest

The most notable feature of the meeting being a long and ~~but~~ be it said
contentious address by Lawson Tait on the subject of abdominal surgery, then
in its infancy, and it is an infant that this sponsor became grandchild.

The Canadian Medical Association met at Toronto August 25th 1885 and it
was undoubtedly the centre of the gathering.
It was around that table, ~~was~~ at the urging of his friend, The
Prof. Robert James Ross, was presented in abstract and a
on

Pneumonia was Bulgarian disease

The last day of the meeting Robert was made the report of the committee,
committee gave the name of Order as the next President - one of James Stewart -
to the his Successor as General Secretary. The vote reads that "with singular unanimity,
Dr. Ocker was elected President for 1885."
It was a ~~matter~~ ^{held ten days} for the meeting of the British Association followed immediately after
and Ocker's chief interests naturally lay with
