Dear Dr. Musser:-

Dr. Osler tells me that Dr. Dercum and I are to have January 18th and 25th We were to receive one lecture from his course and one from yours, but he says that both are to come off your course because you owe him one lecture. Please let me know if this is correct and satisfactory. I write so that there may be no misunderstanding.

Yours very truly,

Chas. H. Mills.
