Our supper cost 49.00. I have paid my half.

Dear Musser,

I will speak to Pepper. I do not care to enter upon another Bl. canvass just as I am preparing to leave. Dilles has no show - the thing is settled for Morton. I am very sorry for Roberts & Naucrede. I wish Packard to take Edwards place. What do you think. I am just going to see P. about it.

Yours,

W.O.
