President Gilman Jun 1889.

[May 1, 1889]

Dear Dr. Gilman

I have been so worried & driven during the past month that I have not had time to go down. I shall be down on Saturday by the 10.20 train & will drive direct to your office.

Sincerely yours,

W<sup>m</sup> Osler

P.S. I enclose a list - I hope not too long - of personal friends to whom I would like invitations to be sent.
