

CUS417/85.44

(Dr. J. H. Musser)

THE JOHNS HOPKINS HOSPITAL,
North Broadway.

(handwriting)

Baltimore, June 3rd 1889

'Spital booming very busy.

Dear Musser

(About 8 - 10 yrs ago in the Deutsches Archiv F. Klin. Med. there is an article on Hy-heart in connection with pleurisy. I do not remember whether the article came directly under that heading, but in the index, published at end of every 10th vol you will get the information I am sure.

Sincerely yours

Wm Osler
