(Dr. H. V. Ogden)

The Johns Hopkins Hospital,
North Broadway

Baltimore, Sept. 23rd, 1889

Dear Ogden

The F's move to 83 Carlton St. this month - perhaps better address
c/o Percy Bath 16 King St. W. I had a quiet month at home - ran off to see
the lepers at Tracadin, N. B. Wish you would come here before I leave the
Hospital - I am sorely tempted to stay on for a year. It flourishes apace.
Did I send you my Valedictory? I do not think I did. I send one with a
couple of reprints. Poor Friend! That girl had a lucky escape.

Sincerely yours,

Wm. Osler.

You look very well
