Very Happy  
New Year  
Dear O.

Thanks for the Lincoln. Most interesting! Why should we not sail together March 12th on the Wessa for Genoa? I think I could get off at that date. You could see a bit of N. Italy & join your sisters. It would be cheaper than going through London. My Q. Compend is thro - index now in preparation. Gott sei dank!

Yours sincerely,  
Wm. Osler.
