Dear Ogden: -

CVS417/90.12 (Dr. H. V. Ogden)  
Baltimore, May 1st, 1894.

Very sorry indeed not to see you this spring. I had hoped that you would be able to spend some time with us this month.

I am glad to hear that you walked into the Insurance men. They are a set of Philistines at the best.

We sail on May 24th on the Columbia for Paris, where I shall be four or five weeks, and then go on to England.

I have already made a number of corrections for a new edition of my text-book, ~~but~~ my contract calls for a triennial revision. I shall be very glad indeed to have your list of corrections. I send you some typhoid material (printed) which may be of interest. *What is that paper of mine to come out?*

Sincerely yours,  
Wm. Osler.

It on May 1st he sent word to Ogden: "We sail X"

But his <sup>own</sup> work was in arrears as he indicates in a letter of May 17th to Ogden:
