Dear Lapleer:

Once again, do you recollect anything about the meetings of the Am. Phy. Soc. held in Baltimore Xmas week 1894. You evidently stayed at 1 W. Franklin St. There was an amusing dinner at the Maryland Club with a menu prepared by W.C., containing imaginary quotations from the writings of many members of the Soc<sup>y</sup>. Were you there?

Yours,  
J.C.

Wm Mitchell  
Howell  
Barnes  
Chadwick etc.

So far as I can recollect  
I was not at the dinner.

Lapleer
