Letter from Dr. S. Weir Mitchell to W.O.

Dictated.

Jan. 12, 1895.

My dear Osler,

(2) Am I to congratulate you upon your election to the Presidency of the McGill University; the papers say so. If this is true I shall not congratulate myself or the profession, for I think you were made for a doctor not a College President. However, whether you do this or anything else it will be well done. x x x

Try to write me and tell me how the Billings matter is coming on. McLane Tiffany sent me a check for one hundred dollars, but beyond that I have heard nothing, and I am anxious to bring this matter to a close pretty soon.

Yours very sincerely,

WEIR MITCHELL
