Dear Chadwick

2 I will arrange with Ned Revere to have your berth and ticket for Friday eve. Come directly here. I have asked the Trustees to meet you at dinner at 6 p m and we can leave at 8 p m in time for the meeting. If you talk half an hour, or longer, on how to develop a Library and on its value to a profession- you will do good. Its very hard work to stir the men here to action.

Sincerely yours

~~Wm Osler.~~
