Dear Chadwick

You are a trump! - We shall have a Trustee meeting at once and make our arrangements. We can have a little dinner at 6 30, and at 8 30 you give half to three quarters of an hours talk on how to develop and use a Library; after which there would be a few remarks by the Chairman of the Board & a reception. Your visit will do good. The profession here needs to be stirred up a bit.

Sincerely yours

Wm Osler.
