W.O., to J. George Adami.
Feb. 20th, 1897.

Dear Adami: I forget whether I wrote to you about the lipoma paper of yours,* which has interested me very much. I wish you would send me a reprint, and one also to Kelly, to whose attention I called the matter, and who is very much interested in it. His address is 1418 Eutaw Place.

Sincerely yours,
Wm. Osler.
