W.O., to J. George Adami.

Saturday

Dear Adami,

I have not made any arrangement for Welch. Gardner offered me four rooms which I have filled with J.C. Wilson, F. C. Shattrick, Fitz and Musser. I shall also be there. G. may be able to give another room. He is asking Chadwick, Col and one or two others I believe. G. will be here next week, and I can arrange it if you have not seen him meanwhile.

Sincerely yours,
Wm. Osler.
