1 West Franklin St., Baltimore.
Dec. 21, 1898.

Dear Mullin:

Very glad to hear from you, and I gather from the tone of your letter that you must be improving.

I shall be in Toronto on Tuesday the 27th and Wednesday the 28th, and shall be in Hamilton on the way back, probably on Thursday the 29th; possibly it may be Friday. I will let you know in plenty of time.

With kind regards to all at home,

Sincerely yours,

W^m Osler
