(To Dr. Irving P. Lyon, Buffalo)

(Typewriting)

1 W. Franklin St., Baltimore,
Feb. 10th, 1899.

Dear Lyon:

The paper is in plenty of time. I will have the proof sent to you. If you send me the additional Russian abstract I will have it inserted at the proper place.

With kind regards,

Sincerely yours,

W^m Osler

P.S. I have just finished reading your paper. It is excellent in every way, and will be quoted, I think, as a standard article on the question.
