(handwritten) April 1899

Dear Musser

I hope the upshot of this long drawn out business will be satisfactory to you. Tyson writes that there are to be two clin. Professors, independent of the main professorship. Could you not come down next Thursday to our centennial meeting? I mention that day as you could come here & dress & then dine with the Faculty in the eve.

Yours,

Prof of Clin. Med. Kopf.

W. Osler.
