OFFICE OF THE DEAN

BALTIMORE, July 29,

19 22

Dear Dr. Cushing,

Your note of the 26th is just received. Dr. Osler was Dean of the Medical School for a period of one year only - 1898-1899.

Dr. Osler did not take part in the Commencement exercises of that year, but the candidates were presented by Acting Dean Welch, so that there is nothing on record to show that Dr. Osler was even present, much less said anything.

It may interest you to know that I have a very handsomely bound volume containing many interesting articles from English newspapers at the time of Sir William's death.

Yours sincerely,

*Geo. Coy*  
Registrar

Dr. Harvey Cushing,  
305 Walnut St.,  
Brookline, Mass.
