The advertisement which the 'Curators of Patronage' felt bound to issue
was written in accordance with the plan we set forth. They had given order till after
(Press cutting).

CHAIR OF MEDICINE IN THE UNIVERSITY OF EDINBURGH. - Applications
for the vacancy in this Chair, the patronage of which is vested
in the Curators, require to be lodged with Mr R. Herbert Johnson,
secretary to curators, at 66 Frederick Street, on or before 14th
April next. Applications have to be accompanied with testimonials.

On February 23rd Professor Greenfield again writes:

My dear Osler,

I wish I could get some card from you about the Chair. I en-
close cutting about date of applications. If we know soon enough, I
believe we can ensure your triumphant election with very little trouble
to yourself.

This just a line to catch mail.

Yours sincerely,

W. S. GREENFIELD.
