Dear Howell:

We had not 'much of a meeting' of the Examination Committee, as Williams was the only man who turned up. I have been away so much the past week that I have had no time to attend to it. If Mr. Coy could come in here some Monday, Wednesday or Friday morning, and bring the schedule of last year, I could give him the points we decided on, and then he could see Dr. Halsted and Dr. Kelly, and submit the whole thing to you.

With kind regards,

Sincerely yours,

Wm Osler
