

(Letter to Dr. Knopf)
(typewritten)

BALTIMORE.

April 12, 1901.

Dear Dr. Knopf:-

I have been away so much that I have had to neglect my correspondence. I have nothing about the Congress, and I only had a letter about ten days ago, asking me to form an American Committee. It was very indefinite, and I have written asking for information, but have not had a reply.

Dr. Welch has, I think, arranged about your lectures. Your book will, I am sure, be of immense help to the profession.

Sincerely yours,

WM. OSLER.

I shall be glad of any suggestions from
you about when to write &c.
