1 West Franklin St., Baltimore.

X. 31. 01.

Dear W. S.

So glad to hear from Sister Susan that you have selected something useful - & ornamental. I enclose cheque for \$100 - wish it were 10 times the amount.

Please do not hesitate to call on me should you find yourself running short this winter - I know how deuced wasteful a house is - particularly the first year

Yours sincerely

W Osler.
