

No. 1 W. Franklin Street,

Baltimore, Nov. 4th, 1901.

Dear F. A. P.:

I have written to your brother saying that I would be only too glad to come to the Historical Club. How satisfactory it is that he has taken up the historical work. His book is really a great credit. As he has asked me, I shall put up with him for the night.

With kind regards to Mrs. Packard.

Sincerely yours,

W Osler
