Dr. Wm. Osler,
1 West Franklin St.,
Baltimore, Md.

Dear Dr. Osler,

I have been sick in bed for a day or two and am too shaky to write personally.

I am much obliged to you for your kind note and glad you value and appreciate the collection of Jenner pamphlets I sent you. They were given to my father by Mr. George Foy, of Dublin, Ireland. I think I can guarantee their genuineness.

With kindest regards, believe me,

Very truly yours,

Stuart McGuire, 2 W.O.,
