

(J. H. Medical School - Howell)

CUS417/98.21

Baltimore, March 20th, 1902.

Dear Dr. Howell:

He does not say where the meeting is to be. I think it would be important for some one from our Faculty to discuss this. If Mall will undertake it, as I see in Welch's handwriting that he will, nothing could be more satisfactory.

Sincerely yours,
Wm Osler
