1 West Franklin St., Baltimore,

May 8th, 1902.

Dear Martin:

I do not know whether you got the letter which I sent to Fortress Monroe. I shall look for you this morning. Come in about quarter past eleven, or if you care to go to the Hospital first, you will find McCrae or Cole there, and you could join me at the twelve o'clock class in the out-patient department, and come in to lunch with me afterward.

Sincerely yours,

<sup>m</sup>  
W Osler.
