Dear Dr. Hurd:-

Sorry I won't be able to get to the Board meeting on Monday, but in order to reach Saratoga in time we have to leave at nine o'clock. McCrae and Fitcher are going with me; Cole and Emerson will look after the Post-Graduates for the week, and Thayer will see the private patients.

Miss Noyes said you spoke about Miss Blogg going to the meeting at Saratoga, so that, as you had left no word, I have arranged with her to meet Miss Noyes in New York.

Very truly yours,

Wm. Osler.
