Dear Shepherd

I shall be with you Monday & shall be glad to stop with you - Mrs Osler does not get to Montreal until Wednesday. She will prefer to go to the Hotel as she will feel freerer. She will be there for a few days getting Willie Francis settled in the R.V.H. I shall leave Thursday a.m. to stay a day or two with Trudeau. I shall keep Tuesday eve. free. I do not know what time I shall reach Montreal - will telegraph from Quebec, about 6:30 pm I think by C.P.R.

Yours

W Osler
